GENERAL VESSEL INFORMATION:

Ordered by Reederei H. Schuldt but delivered to Navi-Fonds GmbH (Schiffsanlegegesellschaft Engler Beteiligungs GmbH, Düsseldorf) & managed by C.F. Ahrenkiel, Hamburg. As AQUITANIA affected by political scandal when 8 year barboat charter contract with ELMA, Argentina failed. Transfer to ELMA for US \$ 22 mio was worth US \$11 mio only. Consequently, investigation by the German authorities started.
