UAE's Transworld Group has announced the acquisition of 2011-built handy bulker [Asahi Maru](#) from Japanese owner Yokoyama Kaiun.

The Japanese-built 47,100 dwt vessel has been renamed *TBC Passion*. No price was given for the sale, with VesselsValue placing a valuation on the vessel of \$11.57m.

 Transworld

Traditionally a feeder boxship owner and operator, Transworld Group has been expanding its bulker fleet recently. This latest acquisition comes shortly after the company bought another handy bulker, *Turquoise Ocean*, from Japanese owner Santoku Senpaku.
