**GENERAL VESSEL INFORMATION:**

Novoship concluded contracts with Henriot Finance at prices obviously below the market.....

Henriot Finance chartered in seven Novoship's tankers: Kazan, Kaluga, **KASPIY**, Kuzbass, Moscow-River, Moscow University and Trogir. It is worth mentioning, that almost all these ships are young Ladies (have been built recently) and they total about 25 per cent of the whole Novorossiysk Shipping Company's tanker fleet's deadweight (DWT) and about 50 per cent of the company's fleet chartered out on a time-charter basis.
