## GENERAL VESSEL INFORMATION:

SCI has decided to anchor one of its dry bulk carriers, the 23-year-old **LOK MAHESHWARI**, at a port in Gujarat. The ship was due for dry-docking and special survey this month. "We have postponed that exercise. The ship will now wait at anchorage till we finalize what to do with it", said an official at SCI, who didn't want to be identified because of the company's policy on speaking to the media.
