GENERAL VESSEL INFORMATION:

Vessel ran aground off the east coast of Jutland, Denmark, with 68,000 tons of crude. The Luzon Spirit foundered near the Danish oil terminal Fredericia in the Little Belt at 2 am local time.

The 12-year-old double-hull vessel, which had just picked up its cargo, was bound for Rotterdam, Europe's largest oil port, said Garth McSween, a spokesman for Bahamas-based Teekay Shipping, the world's largest tanker owner by market value. 'We have divers at the scene and we are going to take the vessel to a safe anchorage area,' Mr McSween said. There were no spills or injuries, he said.
