SALES, TRANSFERS & RENAMINGS:

MILBURN CARRIER II	1987-	Milburn New Zealand Ltd., New Zealand

GENERAL VESSEL INFORMATION:

Holcim owns two bulk cement carriers, MV **MILBURN CARRIER II** and MV Westport, to transport cement from Westport to the eight marine terminals. Both of these ships have four storage compartments, each of which have fixed capacity and can carry only one product at a time.

www.mang.canterbury.ac.nz

16 Oct 1987 completed and laid up at Ulsan because of an industrial dispute over her manning.

Milburn Cement is to be renamed Holderbank Cement mid 2002. She is expected to receive a plain white funnel with a new Holcim logo. A plan to rename the vessel HOLCIM WESTPORT II has been dropped.
