GENERAL VESSEL INFORMATION:

Ugland Nordic Shipping is buying four ships for US\$ 113 mio. The SVENNER will be purchased for US\$ 45 mio along with the BIAKH & BRALI. All three ships are owned by L. Gill-Johannesen A/S and Seabulk A/S.

World Maritime News - 19 Sep 1997

Ugland Nordic Shipping will charter out tankers for more than US\$ 132 mio. Petroleum Geo-Services will take the NORDIC SVENITA for 5 years with a three-year option for at least US\$ 54 mio. It will be delivered for shuttle operations in the Banff field at the North Sea. It was chartered to Esso and was the SVENNER before being bought from Seabulk for US\$ 45 mio. It will be converted for shuttle operations by Tsuneishi Shipbuilding Co. Ltd. In Japan.

World Maritime News - 6 March 1998

(NORDIC SVENITA is 100% owned by UNS. The vessel is under contract to a subsidiary of Petroleum Geo-Services (PGS) until at least 2003. The vessel has DP, thrusters fore and aft, variable pitch propeller and bow-loading equipment. The vessel operates on the Banff Field in the British sector of the North Sea along with Nordic Apollo and Nordic Yukon. (Internet))

Charter: T/C Petroleum Geo Services 09/03 + options
