**GENERAL VESSEL INFORMATION:**

**PACSTAR** was delivered by the Clipper Group to her new owners 9/6/2004. The 'PAC' vessels were part of the Lasco Shipping acquisition in December 2003 and the disposal of these ageing bulk carriers is in full compliance with the strategy to maintain a modern age profile of the fleet. The current market is a main driver behind the decision to sell now and secure attractive prices.
