SAN	2015-15	Best Oasis Ltd, Palau

GENERAL VESSEL INFORMATION:

This ship spent almost ten years with DSR Senator / Senator Linie / Hanjin as **PUSAN SENATOR**.

The PUSAN belongs to a series of ten ships built in 1997-98 by Hyundai, based on a Bremer Vulkan design (BV 4500).

All ten were chartered to DSR-Senator (which became Senator Linie in 2000) and Choyang Line (bankrupted in 2001 - the ships were re-chartered by Senator) (Senator and Choyang operated within a same alliance).
