GENERAL VESSEL INFORMATION:

Aurora Tankers commercially manages a pool of chemical and product tankers, operating worldwide between fixed trade routes, the spot market and contract opportunities.

The pool comprises tankers owned by the IMC Group and its joint venture partners. Wawasan Shipping Sdn Bhd, an IMC Group company, began its activities in 1992

The vessels are deployed in worldwide trading with particular emphasis on providing the vital link between the chemical producers of the Middle East and US Gulf, and end-users in Asia. As a subsidiary of the IMC Group, Aurora Tankers benefits from the Group's resources and connections, especially throughout the Asia Pacific region.
