Two geared Kamsarmax resales have been sold this week to Greek Buyers (?). The MV **SHER-E PUNJAB** abt 79,500 dwt Built 2011 Cosco and the MV VEENUS abt 79,100 dwt Built 2011 Cosco are reported to have been sold for in excess of US\$100 million en bloc. The sale is to include two long term time-charters at premium rates, the former coming with a 58/62 month charter at USD 29,000 per day to NYK and the latter an 82/86 month charter at USD 28,000 per day to Gujarat Ore.

The sale comes in the wake of Bhatia groups shipping arm, Ishhar Overseas, closing down soon after ordering the ships, and if, as is rumoured, Star Bulk of Greece are the buyers, they are one of the companies allegedly owed money by Bhatia over charter party disputes.
