GENERAL VESSEL INFORMATION:

2005: Taiwanese container giant Evergreen has sold three 12-year-old 4,229-teu boxships to a Japanese investment fund headed up by Daiichi Invest Corp. The EVER ROYAL , EVER RIGHT and EVER ROUND (all built 1993) will be chartered back by Evergreen but no details of the price or charter levels are available. The vessels will remain assigned to Evergreen's AUE Asia-to-

US East Coast service, according to French broking analyst BRS-Alphaliner, but **will be renamed the SUN ROAD , SUN RIGHT and SUN ROUND**, respectively. They were the first ships to be built in a series of 10 4,229-teu vessels delivered between 1993 and 1995 by Japanese yards for Evergreen's now-defunct round-the-world services. Dainichi is a Kobe-based investment-fund manager and financing company.
