GENERAL VESSEL INFORMATION:

2015: **Hyundai Merchant Marine contracted sale of two VLCCs to Sinokor for 100 million USD. The crude carriers under the contract are the sister ships UNIVERSAL CROWN and UNIVERSAL QUEEN, which will be delivered to the new owner in July 2015.** The price per ship of 50 million USD is fair and follow the market trends, as the both ships are 10 years old, but in very good condition.
